

Both courses are open for the 2020 season with new COVID-19 protocols in place to reduce exposure. Before arriving at the course, please read our new guidelines and acquaint yourself with the available amenities. **The physical distancing requirement of 2 meters is mandatory for everyone on the property.**

Tee Times and Arriving at the Course

We have increased the interval between Tee Times in an effort to lessen the number of people arriving and checking in for their game at the same time. Only golfers with a booked tee time are permitted on the property. Please call the Pro Shop to book a time or visit oakvillegolf.ca to book on-line & pre-pay.

At this time, the Clubhouse will remain closed, with the exception of the Pro Shop and Washrooms. Pre-packaged snacks and beverages are available for purchase in the Pro Shop. We have increased sanitation in public spaces and commonly touched areas. We encourage golfers to be proactive and responsible for bringing your own hand sanitizer, water or other personal items for use while golfing.

Golfers are asked to arrive no more than 15 minutes prior to their tee time. Anyone arriving before 15 minutes will be asked to wait in/at their car.

Checking in for your Round

We have set up an outdoor Pro Shop so golfers who have pre-paid their green fees online can check in without having to go into the Pro Shop. Only FOUR customers are allowed in the Pro Shop at a time - we have decals on the floor, placed 2 metres apart to assist in keeping space. Plexi-glass has been installed in the Pro Shop to help protect our staff and guests.

The Pro Shop is now Cashless. Only debit / credit transactions will be accepted and terminals will be sanitized between customers.

Upon checking in, golfers will be directed to the "On-Deck" or "In the Hole" waiting areas by the first tee of the appropriate course. Please follow all signage and respect the guidance of our staff. Following all instructions will ensure a safe and enjoyable experience for all of our staff and guests.

Rentals

Pull carts, power carts, and clubs are available for rental and will be cleaned and sanitized for every user. In accordance with government mandate, a single-rider cart system is in place, we will be installing cart dividers in the next week and we will then be able to accommodate two-riders on one power cart. Carts and clubs must be dropped off in the designated area after use.

Removal of Frequent Touch Points on the Course

All frequent touch-points such as bunker rakes, ball washers, and water coolers have been removed from the course. Play preferred lies in sand traps and smooth sand with your foot before exiting the bunker. Flagsticks are not to be touched - a cup filler will keep the ball from going down the hole. We encourage 2' gimmies.

On-Course Amenities

On-course Washrooms will remain open, as will the Pop Machine - they will be disinfected regularly, we request your help in keeping these amenities as clean as possible.

Playing & Post-Round Protocols

DO NOT TOUCH your playing partners. No high five's, fist bumps or handshakes. No sharing of equipment. Maintaining physical distancing while walking down the fairway, searching for lost balls, and on the greens is mandatory.

No tailgating in the parking lot before or after your round.

Our course marshalls will ensure that all golfers are adhering to the policies set above.

Due to the fluidity of COVID-19 we respect the right to add or amend any of these guidelines. We will update this page as soon as possible to reflect any changes. We believe strongly that if everyone complies with these simple rules, golf can serve as a great outing with physical distancing built in, and will not contribute to the unnecessary spread of COVID-19.

If you have any questions or concerns, please call Katrina or Alexandra at 905-875-3932
